

## Could your municipality use some extra revenue?

Aberdeen Enterprizes is the court cost recovery agency that will greatly increase your revenue while relieving your office of the task of collections

### Aberdeen's Advantages

- Oklahoma company
- Expertise to locate individuals with outstanding fines and the resources to collect the full balance of those fines
- Collect for over half of the 77 counties in Oklahoma
- Collected more than **\$5 million** for the counties, and **\$1.9 million +** for Oklahoma municipalities in 2019
- No statute of limitation and not dischargeable in bankruptcy
- Currently collecting on 30 year old tickets

# Aberdeen Collections: Something Different

- Aberdeen provides payment plans, follow-up contacts, and payments reminders to ensure maximum recovery of all owed fines
- Aberdeen accepts credit cards, debit cards, echecks, money orders, and online payments, making it as simple as possible for debtors to fulfill their obligations to the court
- Highly experienced account agents build relationships with debtors, helping them resolve their outstanding warrants by customizing payment plans
- Our case agents direct debtors to community resources that can help them satisfy their debts and make referrals to companies that may hire persons with records
- Debt resolution is arrest prevention, reducing jail and court costs for counties and municipalities
- As your representative, our agents are trained to treat all debtors with respect and courtesy. Aberdeen works hard to protect all parties' interests while resolving the outstanding balance

## Start Collecting Today

Call Aberdeen to learn more about how our state-of-the-art collections technology, qualified case agents, and personalized approach can revolutionize collections in your area. Aberdeen makes it easy for both your office and the debtors to stay up-to-date with their cases, maximizing the likelihood of full recovery of outstanding fines.
